

ATTACHMENT: Definition of "Between"

The screenshot shows a web browser window with the address bar displaying "http://www.collinslanguage.com/results.aspx". The page title is "Collins: The Dictionary Meaning of between - Mozilla Firefox". The browser's menu bar includes "File", "Edit", "View", "History", "Bookmarks", "Tools", and "Help". The address bar has a search icon and a "Google" button. Below the address bar, there are links for "Most Visited", "Getting Started", and "Latest Headlines". The main content area features the Collins logo and the text "Collins Language.com". A search bar contains the word "between", and a dropdown menu shows "Collins English Dictionary FREE". A "SEARCH" button is visible. Below the search bar, there are links for "Home", "Dictionary & Language Products", "Translation", "Scrabble", and "My Account". The page is divided into two main sections. The left section, titled "Nearby words", lists words from "beside" to "beware", with a "more" link at the bottom. The right section, titled "Collins: English Dictionary Definition (Meaning) of between", provides a definition for the word "between" as a preposition. It lists five uses: 1. at a point intermediate to two other points in space, time, etc.; 2. in combination, together, between them, they saved enough money to buy a car; 3. confined to, between you and me; 4. indicating a linking relation or comparison; 5. indicating alternatives, strictly only two alternatives. Below these uses, it lists "ADV" and "in between," followed by a definition: "between one specified thing and another." A highlighted example sentence reads: "After distribute and words with a similar meaning, among should be used rather than between: this enterprise issued shares which were distributed among its workers." Below the example, it lists "Old English betwēonum". At the bottom of the page, there is a box titled "Upgrade to Collins English Dictionary Pro" which describes the benefits of the Pro version, including 225,000 references and access to the online dictionary on a phone.
